INSTRUCTIONS

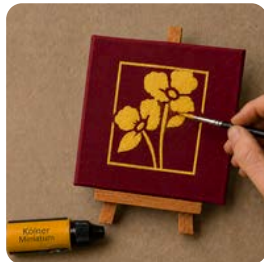

STEP-BY-STEP

- 1 Prepare the surface

Prime the canvas with the desired color and let it dry thoroughly.

- 2 Apply the design

Apply Kölner Miniaturum (adhesive) and let it dry (approx. 20–60 minutes, depending on the thickness of the layer).

- 3 Apply gold leaf

Cut the transfer gold leaf into the desired strips and press them down.

- 4 Polishing gold leaf

Polish the gold leaf with Kölner tissue. Done!

TIPS & ADVICE

- For best results, keep the canvas dust-free and dry.
- Apply the Cologne Miniatur evenly.
- Shake out the polishing cloth regularly, as gold can scratch gold.
- Thoroughly degrease the scissors; gold leaf will adhere even to the smallest traces of grease.
